You are looking for efficiency and you want to optimize your business appointments:

Eric Grandjean (*RM Consultants*) has decided to go to the essential by creating the «**Renaissance Concept**» in October 2021. Far from the shows promising you meetings, happenings and events.

The world and the business have changed:
Meetings with travel industry are becoming more and more challenging. The agencies, tour operators and the Mice sector which have activity are receiving less and less their partners, due to lack of time and understaffed team.
This is why our **Renaissance format allows them to optimize meetings in a minimum of time.**
